

**Convenio: CONICYT Royal Society 1975**

# **Agreement on exchange visits between the Royal Society of London and CONICYT.**

[16/04/2007]

---

## **Descripción**

RECOGNIZING the mutual benefit of scientific interchange and the convenience of set procedures for its administration the Royal Society of London and the Comisión Nacional de Investigación Científica y Tecnológica (CONICYT) de Chile, hereinafter called the Sides, conclude the following agreement:

## **Instituciones involucradas**

Comisión Nacional de Investigación Científica y Tecnológica (CONICYT), Royal Society.

## **Fecha firma**

01 - 12 - 1975

## **Objetivo**

I Visits will be arranged annually in each direction for scientists of postdoctorate or similar level in the natural sciences and technology in two categories:

- # Study Visits- for short periods of not less than three weeks, usually with the aim of visiting a number of laboratories in the host country; and
- # Fellowships- for longer periods of not less than four months, to carry out research projects predominantly in one laboratory, but with provision for short subsidiary visits to others.
