

Fondo ALMA para el desarrollo de la Astronomía chilena

Proyectos aprobados Concurso 2009

	Cod	Investigador Principal	Institución	Título del Proyecto
1	31090001*	Jorge Luis Alfaro	Pontificia Universidad Católica de Chile	ASTROBIOLOGY
2	31090002*	Luis Felipe Barrientos	Pontificia Universidad Católica de Chile	Support of the Graduate Program in Astrophysics at the Pontificia Universidad Católica de Chile
3	31090009*	Gaspar Galaz	Pontificia Universidad Católica de Chile	Sabbatical Leave to the University of Washington: Adding the sub-mm window to the Local Volume Legacy Survey
4	31090010	José Luis Giordano	Universidad de Talca	Research and Training on Superconducting Devices for Astronomy and Radioastronomy
5	31090011*	Matías Gómez	Universidad Nacional Andrés Bello	Strengthening the development of astrophysics at Universidad Andres Bello
6	31090013	Mario Hamuy	Universidad de Chile	Postdoctoral Fellow for ALMA Early Science
7	31090014	Olga Hernandez	Sociedad chilena de astronomía	Participation of Chilean high-school students in the First Latin American Astronomy Olympiad
8	31090015	Andrés Jordán	Pontificia Universidad Católica de Chile	Postdoctoral Support for the Chilean participation in HAT-South, the first 24-hr Global Network to find and Characterize Transiting Exoplanets
9	31090018	Ernest Michael	Universidad de Chile	Experimental Feasibility Study of Fiber-based Infrared Heterodyne Interferometry in Chile.
10	31090019	Verónica Motta	Universidad de Valparaíso	Gravitational Lens Group at Universidad de Valparaíso: Requirements for further development
11	31090020*	Verónica Motta	Sociedad chilena de astronomía	Participation of graduate students in international astronomy meetings
12	31090024*	Neil Nagar	Universidad de Concepción	Preparing for the ALMA First Call for Proposals at Concepción Astronomy: A New Radioastronomy Professor and Radiometer Development
13	31090026*	Jaime Pavlich	Universidad Católica del Norte	Developing a VO-standards-compliant research infrastructure in the Universidad Católica del Norte
14	31090027	Mario Pedreros	Universidad de Tarapacá	Equipment for the diffusion of Astronomical Science in the region of Arica y Parinacota
15	31090030	Patricio Rojo	Universidad de Chile	CONICYT/ALMA Astronomy Grants for Ph.D. Students at Universidad de Chile
16	31090033	Leonardo Vanzí	Pontificia Universidad Católica de Chile	Strengthening the graduate program in Engineering at PUC
17	31090034*	Horst von Brand	Universidad Técnica Federico Santa María	Software development for ALMA: Strengthening development expertise and collaboration networks.
