- Email: Enter Email
- Name: Name/Last Name

At the bottom of the dialog, there are two buttons: "Cancel" and "Add" with a right-pointing arrow.

The screenshot shows the same "Add Researcher" dialog box, but with a search result. The search fields are filled with:

- RUT: 153330077
- Email: Enter Email
- Name: Name/Last Name

Below the search fields, there is a blue message box that says: "No matches returned by your search. Please try again with different parameters." Below this, there is a yellow "Attention!" box that says: "If the researcher you are adding to your team does not have a CV at Portal del Investigador, we suggest sending you an invitation message by entering his/her email in the following field:". Below the text in the yellow box, there is a text input field with the example "myuser@mydomain.com" and a "Send Invitation" button with an envelope icon. At the bottom of the dialog, there are two buttons: "Cancel" and "Add" with a right-pointing arrow.

De no ser así, el sistema arrojará un mensaje, en donde se invitará al (a la) investigador(a) a registrarse en el Portal del Investigador.
